Teacher(s)	Delville Katia ;
Language :	French
Place of the course	Louvain-la-Neuve
Prerequisites	<i>The prerequisite(s) for this Teaching Unit (Unité d'enseignement – UE) for the programmes/courses that offer this Teaching Unit are specified at the end of this sheet.</i>
Learning outcomes	
Evaluation methods	Written group work to be submitted via Moodle and oral presentation in the presence of the client. Instructions for the work will be given via Moodle at a later date. Second session: the students concerned will have to present a piece of work to be fixed with the teacher.
Teaching methods	Introductory lecture, meeting with PR professionals and practical application through a case study. This accompanied group work will be based on a real case presented by the client.
Content	This course will provide an introduction to public relations as a field of professional activity. The content presented will always be linked to the introduction to the professional practice of public relations, and in particular to strategic thinking and the central and transversal role of public relations within an organisation.
