This biannual learning is being organized in 2024-2025

Teacher(s)	Meunier Nicolas ;
Language :	French
Place of the course	Louvain-la-Neuve
Prerequisites	LGLOR1230 <i>Latin II</i> <i>The prerequisite(s) for this Teaching Unit (Unité d'enseignement – UE) for the programmes/courses that offer this Teaching Unit are specified at the end of this sheet.</i>
Main themes	In-depth study of classical Latin grammar , mainly syntax, with a linguistic approach (origin and evolution of the structures of the language). Both Level III courses (A and B) will cover a selection of chapters related to the syntax of the simple and complex sentence . In addition, the student will learn additional vocabulary and translate short texts (versions) and long texts (cursive).
Learning outcomes	
Evaluation methods	The evaluation of the learning outcomes will take place as follows: - Regular tests during practical work sessions, which will be worth one fifth of the final grade. In case of failure in this part, a complementary test (version) will have to be presented at the September session. Attendance at the practical sessions is required: in the event of unjustified absence from more than 3 sessions or failure to present for the tests and evaluated versions, the teacher may, in accordance with article 72 of the RGEE, propose to the jury that it oppose the registration of a student in the June or September session. - Written test of theoretical knowledge and practical skills (including theme and version). This test will be worth two fifths of the final mark. It will take place in the June or September exams session. - Oral test to check mastery of cursive reading. This test will be worth two fifths of the final mark. It is spread over
