## Course prerequisites

---

The **table** below lists the activities (course units, or CUs) for which there are one or more prerequisites within the programme, i.e. the programme CU for which the learning outcomes must be certified and the corresponding credits awarded by the jury before registering for that CU.

These activities are also identified in **the detailed programme**: their title is followed by a yellow square.

**Prerequisites and student's annual programme**

## FEHC2M - Information

### Access Requirements

*Master course admission requirements are defined by the French Community of Belgium Decree of 7 November 2013 defining the higher education landscape and the academic organisation of courses.*

*General and specific admission requirements for this programme must be satisfied at the time of enrolling at the university.*

*Unless explicitly mentioned, the bachelor's, master's and licentiate degrees listed in this table or on this page are to be understood as those issued by an institution of the French, Flemish or German-speaking Community, or by the Royal Military Academy.*

***In the event of the divergence between the different linguistic versions of the present conditions, the French version shall prevail.***

### Access based on validation of professional experience

> It is possible, under certain conditions, to use one's personal and professional experience to enter a university course without having the required qualifications. However, validation of prior experience does not automatically apply to all courses. Find out more about [Validation of priori experience](#).

Accès selon la procédure de validation des acquis de l'expérience

Consultez le site [www.uclouvain.be/vae](http://www.uclouvain.be/vae)

### Access based on application

Access based on application : access may be granted either directly or on the condition of completing additional courses of a maximum of 60 ECTS credits, or refused.

## Admission and Enrolment Procedures for general registration

## Teaching method

---

Ce programme spécifiquement conçu pour des personnes qui travaillent, alterne exposés théoriques et études de cas afin de permettre la compréhension concrète des problématiques de gestion.

Le programme attire un public de formation et d'horizons professionnels très variés. Les **confrontations de pratiques** et de points de vue divers, tant entre étudiants et professeurs, qu'entre étudiants entre eux, offrent un enrichissement de la perspective des étudiants sur les différents domaines de la gestion.

Les étudiants sont invités, dans différents **travaux individuels ou de groupe**, à porter un regard réflexif sur leur pratique professionnelle ou à étudier et résoudre des problèmes de gestion en lien avec leur domaine professionnel.

Ce programme bénéficie d'un corps professoral principalement composé de praticiens expérimentés et privilégie donc une approche pédagogique basée sur les études de cas, les séminaires et les travaux pratiques.

## Evaluation

---

***The evaluation methods comply with the regulations concerning studies and exams (<https://uclouvain.be/fr/decouvrir/rgee.html>). More detailed explanation of the modalities specific to each learning unit are available on their description sheets***
