MINEURO - Information

Access Requirements

The minor in European Studies is open to all baccalaureate students of UCLouvain as far as the major cursus allows the student to do it. (See [here](#).) There are no entry requirements and there are no restrictions to the number of students allowed on the course.

Teaching method

The course, which is worth 30 credits, is designed to be interdisciplinary, with lessons in law, economics, history and civilisation, and political science. It has a twofold objective: to provide students with a general, university-level theoretical background to European integration, while also introducing them to the reality of this process.

Evaluation

The evaluation methods comply with the [regulations concerning studies and exams](https://uclouvain.be/fr/decouvrir/rgee.html) (<https://uclouvain.be/fr/decouvrir/rgee.html>). More detailed explanation of the modalities specific to each learning unit are available on their description sheets under the heading "Learning outcomes evaluation method".

Assessment can take the form of written or oral examinations (for more information, please, see the detailed description of each lecture).

Possible trainings at the end of the programme

The minor is first and foremost an introductory minor course. Nevertheless, students who have taken the minor in European studies may go on to the Master 120 in European Studies programs (EURO2M) at UCLouvain.
