Supplementary classes

To access this Master, students must have a good command of certain subjects. If this is not the case, students must take supplementary classes chosen by the faculty to satisfy course prerequisites.

What is a preparatory module?

It is a set of supplementary classes (courses, practical works, seminars, etc.) from the first cycle (see the non-exhaustive list below).

Teaching method

The different pathways give the student the possibility to direct his training towards his skills and interests and thus acquire relative autonomy in his training. The programme's different areas of study offer a set of coherent, high-quality classes.

- Modalities which promote interdisciplinary: in the master 60, it is the student's choice (geared towards literature, linguistics and skills classes) which holds sway.
