JCLouvain	INTR2MC 2024 - 2025		Advanced	Master in	Internal M	ledicine

# **INTR2MC - Introduction**

# Introduction

### **INTR2MC - Teaching profile**

# **Learning outcomes**

This complementary master's programme aims to prepare doctors to become officially recognised holders of the specific professional title of Specialist Doctor in Internal Medecine, (Ministerial Decree of 19.03.1979, published on 15.03.1979).

### **Programme structure**

The training course includes full time apprenticeships in recognised services and teaching centres. It lasts for at least five years, full-time, including at least three years of foundation studies and two years of higher studies in Internal Medecine. The apprenticeship project established by the university promoter must be approved by the ministerial validation committee for the speciality. These periods of practical training include being on call.
