## PHAM2M - Information

### Access Requirements

---

*Master course admission requirements are defined by the French Community of Belgium Decree of 7 November 2013 defining the higher education landscape and the academic organisation of courses.*

*General and specific admission requirements for this programme must be satisfied at the time of enrolling at the university.*

ATTENTION: Register for this programme through the institution responsible for its administrative management, i.e. the [UNamur](#), and not through the UCLouvain Enrolment Office.

## Evaluation

---

***The evaluation methods comply with the [regulations concerning studies and exams](#). More detailed explanation of the modalities specific to each learning unit are available on their description sheets under the heading "Learning outcomes evaluation method".***
