## PSP1BA - Information

### Access Requirements

---

*Decree of 7 November 2013 defining the landscape of higher education and the academic organization of studies.  
The admission requirements must be met prior to enrolment in the University.*

## Specific professional rules

---

These studies lead to a professional title subject to specific rules or restrictions on professional accreditation or establishment.

You will find the necessary legal information by [clicking here](#).

## Evaluation

---

***The evaluation methods comply with the [regulations concerning studies and exams](#). More detailed explanation of the modalities specific to each learning unit are available on their description sheets under the heading "Learning outcomes evaluation method".***

Course evaluation will take the form of written exams organised during the sessions, whilst the task-based part may involve ongoing assessment during the year. A final formative evaluation will be carried out during practical exercises, group work and for individual projects.

## Mobility and/or Internationalisation outlook

---

Informations pratiques sur les échanges : <https://uclouvain.be/319185>

## Possible trainings at the end of the programme

---

Positioning of the programme within the University cursus

The principal aim of the programme ("major") is to prepare the student for the ensuing master's programme, by progressively building up the knowledge and skills required.

The bachelor's degree will guarantee unconditional access, without any complementary courses, to the master's programme associated to the major chosen for the third year : Psychology, Education Science or Speech Therapy. This also entails auSI.957001 thi0513 Tm [(The principal aim
