## TEACHING FOCUS [30.0]

**IMPORTANT NOTE:** In accordance with article 138 para. 4 of the decree of 7 November 2013 concerning higher education and the academic organisation of studies, teaching practice placements will not be assessed in the September session. Students are required to make every effort to successfully complete the teaching practice in the June session, subject to having to retake the year.

Cette finalité vise principalement les étudiant(e)s se préparant à l'enseignement dans le secondaire, mais aussi plus largement l'ensemble de ceux qui se destinent à des métiers de formation en Sciences sociales.

## SOC2M - Information

### Access Requirements

Master course admission requirements are defined by the French Community of Belgium Decree of 7 November 2013 defining the higher education landscape and the academic organisation of courses.

General and specific admission requirements for this programme must be satisfied at the time of enrolling at the university.

Unless explicitly mentioned, the bachelor's, master's and licentiate degrees listed in this table or on this page are to be understood as those issued by an institution of the French, Flemish or German-speaking Community, or by the Royal Military Academy.

**In the event of the divergence between the different linguistic versions of the present conditions, the French version shall prevail.**

### Specific access requirements

To have gained a first university degree including the following credits :

- 21 credits in sociology/anthropology or both subjects together (with at least 15 credits in sociology)
- 24 credits in methodology (with at least 8 in quantitative methodology and 8 in qualitative methods)
- 9 credits in language (must be English unless there is special permission for another language)

The 30 credits for the subsidiary subject(s) of sociology/anthropology may therefore be used to satisfy these requirements.

If the total of prerequisite subjects is more than 15 credits, entry to the Master programme is conditional on the successful completion of a preparatory year and gaining a maximum of 60 credits.
