Access with additional training

THEO2M1 - Information**Access Requirements**

Master course admission requirements are defined by the French Community of Belgium Decree of 7 November 2013 defining the higher education landscape and the academic organisation of courses.

General and specific admission requirements for this programme must be satisfied at the time of enrolling at the university.

Unless explicitly mentioned, the bachelor's, master's and licentiate degrees listed in this table or on this page are to be understood as those issued by an institution of the French, Flemish or German-speaking Community, or by the Royal Military Academy.

In the event of the divergence between the different linguistic versions of the present conditions, the French version shall prevail.

Teaching method

The programme is designed in such a way as to promote an interdisciplinary approach to theology. For one, the syllabi for the course activities allow for interaction between teaching and research, which should help students acquaint themselves with research in the various fields of theology. For another, in the same fields, the interdisciplinarity is structured so that students acquaint themselves with research in
