Teaching method

The programme offers, in one year, a sound initiation to a scientific approach to linguistics and literature. It will also help the student to develop knowledge, know-how and communication skills in Germanic languages.

Evaluation

The evaluation methods comply with the regulations concerning studies and exams (<https://uclouvain.be/fr/decouvrir/rgee.html>). More detailed explanation of the modalities specific to each learning unit are available on their description sheets under the heading "Learning outcomes evaluation method".

4. Postgraduate internship and socio-professional integration

Students have the opportunity, during their Master's programme or after graduation, to prepare their **socio-professional integration** with the qualified services of the Faculty and of UCLouvain. It is also possible for them to complete their training with a **postgraduate internship** in Belgium or abroad. In some cases, procedural steps must be undertaken during the master's programme.
