

## ADPM2M - Introduction

### Introduction

---

#### **Introduction**

The Public Administration course focuses on public policy, local authority and socio-economic development. It equips the student with transferable analytical abilities, methods for in-depth understanding and the resources needed to participate in new public decision-making, in all government positions, public and parastatal organisations, at local or European level.

***PROFESSIONAL FOCUS: PROFESSIONAL INTEGRATION [30.0]***

## Course prerequisites

---

The **table** below lists the activities (course units, or CUs) for which there are one or more prerequisites within the programme, i.e. the programme CU for which the learning outcomes must be certified and the corresponding credits awarded by the jury before registering for that CU.

These activities are also identified **in the detailed programme**: their title is followed by a yellow square.

### Prerequisites and student's annual programme

As the prerequisite is for CU registration purposes only, there are no prerequisites within a programme year. Prerequisites are defined between CUs of different years and therefore influence the order in which the student will be able to register for the programme's CUs.

In addition, when the jury validates a student's individual programme at the beginning of the year, it ensures its coherence, meaning that it may:

## ADPM2M - Information

### Access Requirements

Master course admission requirements are defined by the French Community of Belgium Decree of 7 November 2013 defining the higher education landscape and the academic organisation of courses.

General and specific admission requirements for this programme must be satisfied at the time of enrolling at the university.

Unless explicitly mentioned, the bachelor's, master's and licentiate degrees listed in this table or on this page are to be understood as those issued by an institution of the French, Flemish or German-speaking Community, or by the Royal Military Academy.

**In the event of the divergence between the different linguistic versions of the present conditions, the French version shall prevail.**

## Evaluation

---

**The evaluation methods comply with the [regulations concerning studies and exams](#). More detailed explanation of the modalities specific to each learning unit are available on their description sheets under the heading "Learning outcomes evaluation method".**

There is a variety of evaluation methods:

- completion of individual and/or group work;
- taking written or oral examinations to test the level of understanding and command of concepts, theories, basic data and know-how in the various disciplines concerned;
- completing a three-month work placement;
- completion of a thesis.

To obtain a grade average, the scores obtained for the different activities are weighted by their respective credits.

## Possible trainings at the end of the programme
