## APPGEOG - Teaching profile

### Learning outcomes

To provide students with additional training in a discipline different to that received during their baccalaureate major.

On successful completion of this programme, each student is able to :

1

Use autonomously and in a relevant fashion classic preprocessed database to extract information in the context of a well-specified geographic question .

2

Discuss the validity of the data used and the results of the analysis.

3

Work in a constructive and productive way as part of a team.

4

Present results on a well-define geographic question in its natural and human dimensions.
