MINSBIM - Introduction

Introduction

MINSBIM - Information

Access Requirements

There are no specific admission conditions, but sound basic scientific training is strongly recommended.

Evaluation

The evaluation methods comply with the [regulations concerning studies and exams](#). More detailed explanation of the modalities specific to each learning unit are available on their description sheets under the heading "Learning outcomes evaluation method".

Possible trainings at the end of the programme

This course does not give access to the master's in biomedical science.
