DROB1BA - Introduction

Introduction

Introduction

Law is the set of legal rules which organises life in society. The aim of law studies is to prepare students to be able to meet the legal challenges of today and tomorrow. With globalisation, sustainable development, the digital economy, energy transition, etc., legal practitioners must deal directly with the political, economic, social and cultural challenges facing contemporary society. For this reason, the bachelor's degree in law has two objectives:

-

Learning outcomes

By the end of their bachelor's degree, students will have acquired:

I. General knowledge and interdisciplinary skills

- **A solid grounding in the humanities and social sciences so that they are able to decode legal phenomena in a comprehensively inter-disciplinary perspective.**

Examples: Philosophie, Critique des sources de l'information et séminaires de sciences humaines, Sociologie, Psychologie, Histoire des institutions et du droit I et II, Philosophie morale, Économie, as well as all optional course units.

II. Specific legal knowledge

- **A command of the concepts, rules and principles of the majority of the branches of Belgian and European law, as well as a familiarisation with a few key concepts in branches of law studied in a master's programme, such as international private law, international public law and tax law.**

Examples: Fondements romains et éléments d'Histoire du droit privé, Droit constitutionnel I, II et III, Droit des biens, Droit pénal, Procédure pénale, Fondements institutionnels du droit européen, Droit des obligations, Droit des contrats et de la responsabilité civile, Droit du travail, Droit administratif, Droit des personnes, de la famille et des régimes matrimoniaux, Droit de l'entreprise, Droit judiciaire ; les unités d'enseignement optionnelles à composante juridique, le Stage d'observation de la pratique juridique; les Travaux pratiques sans casus.

- **A command of the secondary principles which connect the formal sources of law and an understanding of law as a 'system'.**

Examples: Sources et principe du droit, Droit constitutionnel I et II, Introduction critique à la pensée juridique contemporaine.

- **Critical analytical skills with respect to the law through a grounding in the theory and philosophy of law and an awareness of the relative and changing nature of legal remedies and the controversies which they can generate.**

Examples: Droit naturel, Introduction critique à la pensée juridique contemporaine, Séminaire de théorie du droit, Exercices pratiques de droit (travaux pratiques avec casus), Law Clinic, Moot Courts.

III. A grounding in the scientific method

- **A command of the methods and tools of legal documentary research (legislation, case law and doctrine) so as to be able to use them for personal academic work.**

Examples: Séminaire de méthode 1 the methods and tools of legal documentary research r1p52

DROB1BA - Information

Access Requirements

Decree of 7 November 2013 defining the landscape of higher education and the academic organization of studies.

The admission requirements must be met prior to enrolment in the University.

In the event of the divergence between the different linguistic versions of the present conditions, the French version shall prevail.

SUMMARY

- [General access requirements](#)
- [Specific access requirements](#)
- [Access based on validation of professional experience](#)
- [Special requirements to access some programmes](#)

General access requirements

Except as otherwise provided by other specific legal provisions, admission to undergraduate courses leading to the award of a Bachelor's degree will be granted to students with one of the following qualifications :

1. A Certificate of Upper Secondary Education issued during or after the 1993-1994 academic year by an establishment offering full-time secondary education or an adult education centre in the French Community of Belgium and, as the case may be, approved if it was issued by an educational institution before 1 January 2008 or affixed with the seal of the French Community if it was issued after this date, or an equivalent certificate awarded by the Examination Board of the French Community during or after 1994;
2. A Certificate of Upper Secondary Education issued no later than the end of the 1992-1993 academic year, along with official documentation attesting to the student's ability to pursue higher education for students applying for a full-length undergraduate degree programme;
3. A diploma awarded by a higher education institution within the French Community that confers an academic degree issued under the above-mentioned Decree, or a diploma awarded by a university or institution dispensing full-time higher education in accordance with earlier legislation;
4. A higher education certificate or diploma awarded by an adult education centre;
5. A pass certificate for one of the [entrance examinations](#) organized by higher education institutions or by an examination board of the French Community; this document gives admission to studies in the sectors, fields or programmes indicated therein;
6. A diploma, certificate of studies or other qualification similar to those mentioned above, issued by the Flemish Community of Belgium, the German Community of Belgium or the Royal Military Academy;
7. A diploma, certificate of studies or other qualification obtained abroad and deemed equivalent to the first four mentioned above by virtue of a law, decree, European directive or international convention;

Note:

Requests for equivalence must be submitted to the Equivalence department ([Service des équivalences](#)) of the Ministry of Higher Education and Scientific Research of the French Community of Belgium in compliance with the official deadline.

The following two qualifications are automatically deemed equivalent to the Certificate of Upper Secondary Education (Certificat d'enseignement secondaire supérieur – CESS):

- European Baccalaureate issued by the Board of Governors of a European School,
- International Baccalaureate issued by the International Baccalaureate Office in Geneva.

8. Official documentation attesting to a student's ability to pursue higher education (diplôme d'aptitude à accéder à l'enseignement supérieur - DAES), issued by the Examination Board of the French Community.

Specific access requirements

- Access to bachelor programmes for candidates of nationality outside the European Union who are not assimilated to Belgian nationals is subject to the following criteria:
 - not have obtained a secondary education diploma for more than 3 years maximum. Example: for an admission application for the academic year 2024-2025, you must have obtained your diploma during the academic years 2021-2022, 2022-2023 ou 2023-2024. In the French Community of Belgium, the academic year runs from September 14 to September 13
 - not already hold an undergraduate degree

- For any secondary school diploma **from a European Union country**, the admission request must contain the equivalence of your

Through the specialisation and deepening of knowledge, the **master's degree** enables students to acquire more advanced knowledge in their field, as well as the skills and expertise needed to practise a profession in law, education or research. The basic programme may be supplemented by a 60-credit, one-year **advanced master's degree**.

On completion of the bachelor's degree in law, students have direct access to the master's degree in law. In addition, certain master's degrees are accessible to students with a bachelor's degree in law, either directly (e.g. the master's degree in European studies), or through the completion of elective courses (e.g. the following three courses: Introduction à la pensée pénale et criminologique II, Questions spéciales de psychologie en rapport avec le droit et les sciences humaines, Questions approfondies de droit pénal et de procédure pénale, in order to gain access to the master's degree in criminology).
