

Programme structure

The programme for the Advanced Master in Pedagogy in Higher Education is tailored to the experience and project of each student. There is a combination of three main elements :

- theory and practice
- cross-disciplinary and disciplinary skills
- research and teaching.

o Activités optionnelles (8 credits)

Pour ces activités optionnelles, l'étudiant-e capitalise huit crédits qui peuvent être constitués de cours qu'il choisit dans le programme du Master en sciences de l'éducation (notamment les cours de méthodologie de la recherche ou de traitement de données de recherche, qualitatives ou quantitatives). Il peut également faire valider des activités telles que la participation et la présentation à des colloques ou formation en pédagogie universitaires.

Access Requirements

- an academic degree similar to those mentioned above, awarded in the Flemish Community, the German Community or the Royal Military School, under the same conditions;
- a foreign academic degree recognized as equivalent to the first two above, according to decree, a European directive or an international convention;
- a foreign degree confirming second cycle studies and recognized as being worth at least 300 credits, under the same conditions.

Special admission conditions for this programme

Students with a second cycle university degree in a subject other than psychology or education awarded by a university in the French-speaking Community must provide evidence of working professionally for at least one year in a university or higher education institution (teaching, teaching assistant, management).

Application files are examined by a committee of the admissions panel.

Prerequisites :

Individually tailored access :Entry to all Masters (with the exception of Advanced Masters) can be gained through the special procedure for accrediting prior learning and experience known as VAE (validation des acquis de l'expérience).

Accessible to adults

Various features in the way the programme is organized provide greater flexibility for mature students :

- being awarded this Advanced Master enables candidates to gain a certain number of credits which can be used in the Academy's teacher training programmes
- the classes are only held on certain days, in Louvain-la-Neuve or Namur
- there is a limit on the number of participants to ensure the excellence of the training

This programme may also form additional training for holders of the teaching certificate for higher education (certificat d'aptitude pédagogique approprié à l'enseignement supérieur - CAPAES).
