## MINALLE - Teaching profile

### Learning outcomes

---

Discover, broaden and deepen knowledge and skills in German language, linguistics, literature and culture and put them to use, in connection with the learning outcomes from your major, in a relevant way in order to study in depth a problem or complex system relating to your major.

On successful completion of this programme, each student is able to :

1. Attain communication and language competence in German level B2+ (advanced independent user under the Common European Framework of Reference for Languages).
2. Develop an in-depth analysis of phenomena, questions or problems related to German studies and fields related to your major; in particular an in-depth understanding of literary texts, whether they are contemporary or from periods studied or of a cultural and language subject related to the German-speaking world, but also theoretical or literary texts from the Middle Ages, and the Renaissance

## ***THE PROGRAMME'S COURSES AND LEARNING OUTCOMES***

---

For each UCLouvain training programme, a [reference framework of learning outcomes](#) specifies the the skills expected of every graduate on completion of the programme. Course unit descriptions specify targeted learning outcomes, as well as the unit's contribution to reference framework of learning outcomes.
