## MURG2MC - Teaching profile

### Learning outcomes

---

This programme in the Advanced 2nd cycle is designed to prepare doctors to qualify for the professional status of specialist doctor in emergency medicine (Ministerial Decree of 14 February 2005, published on 4 March 2005).

### Programme structure

---

Full-time training is at least 6 years and includes academic instruction, full-time work placements, communication or the publication of an article and a dissertation.

Prior training for the Advanced Master in Intensive Medicine may count towards this, for three years.

The plan for the placement drawn up by the university placement coordinator must be approved by the ministerial qualification committee for the relevant specialization. These placements include duty activities.

## The programme's courses and learning outcomes

---

For each UCLouvain training programme, a [reference framework of learning outcomes](#) specifies the the skills expected of every graduate on completion of the programme. Course unit descriptions specify targeted learning outcomes, as well as the unit's contribution to reference framework of learning outcomes.
