## MINCOMU - Information

### Access Requirements

Students who are taking the baccalaureate in human and social sciences have priority access to this course. Students taking the baccalaureate in sociology and anthropology, political science, economics, management, law, literature may of course be interested in taking this course alongside their main subject. It should also be noted that the issue of information, the popularization and media coverage of knowledge makes this minor relevant to students taking a baccalaureate in science, agronomy, medicine or exact science.

### Evaluation

***The evaluation methods comply with the [regulations concerning studies and exams](#). More detailed explanation of the modalities specific to each learning unit are available on their description sheets under the heading "Learning outcomes evaluation method".***
