## NEUR2MC - Teaching profile

### Learning outcomes

---

This complementary master's programme aims to prepare doctors to become officially recognised holders of the specific professional title of Specialist Doctor in Neurology (Ministerial Decree of 29.07.1987, published on 12.08.1987).

### Programme structure

---

The training course includes full time apprenticeships in recognised services and teaching centres. It lasts for at least five years, full-time, including at least four years of apprenticeship in Neurology. The apprenticeship project established by the university promoter must be approved by the ministerial validation committee for the speciality. These periods of practical training include being on call.

## The programme's courses and learning outcomes

---

For each UCLouvain training programme, a [reference framework of learning outcomes](#) specifies the the skills expected of every graduate on completion of the programme. Course unit descriptions specify targeted learning outcomes, as well as the unit's contribution to reference framework of learning outcomes.
