Supplementary classes

To access this Master, students must have a good command of certain subjects. If this is not the case, in the first annual block of their Masters programme, students must take supplementary classes chosen by the faculty to satisfy course prerequisites.

Course prerequisites

There are no prerequisites between course units (CUs) for this programme, i.e. the programme activity (course unit, CU) whose learning outcomes are to be certified and the corresponding credits awarded by the jury before registration in another CU.

The programme's courses and learning outcomes

For each UCLouvain training programme, a [reference framework of learning outcomes](#) specifies the the skills expected of every graduate on completion of the programme. Course unit descriptions specify targeted learning outcomes, as well as the unit's contribution to reference framework of learning outcomes.

Please refer to the special procedures below for Open Faculty programmes. The details and the annual calendar are at www.uclouvain.be/opes.

Special procedures for the professional focus in economic and social policy for students in Wallonia, Brussels and neighbouring areas :

Students gaining entry through prior learning and experience :

- information sessions
- collection of admission questionnaires
- written examination at the beginning of May followed by an oral examination
- introductory residential workshop (compulsory) during the weekend before the beginning of term (payment of approximately €70 must be made by the end of August)

Students who have gained one of the bachelor grades of the short kind referred to above (bridging programme), university bachelors and those who have gained a Belgian degree or equivalent:

- information sessions
- collection of enrolment questionnaires by the end of August at the latest
- interview by appointment
- introductory residential workshop (compulsory) during the weekend before the beginning of term (payment of approximately €70 must be made by the end of August)

Special procedure for the professional focus in development and project management designed for students working on development issues in Central and West Africa :

A group of students working on this focus is formed every two years.

Interviews and an entrance examination are held two years before arriving in Africa to give successful candidates time to find funding.

Further information on timing can be found at www.uclouvain.be/opes.
